

4D3N Learn to Dive Package with Borneo Dream

Images

Description

Fancy learning to dive in the tropical waters near Kota Kinabalu, Sabah? Do you only have a couple of days free? Then choose the 4D3N Learn to dive package and become a PADI Scuba Diver with Borneo Dream. An exciting, highly personalised and fun introduction to the wonderful world of scuba diving!

The PADI Scuba Diver course is a 2 day course (with pre-study completed in advance) and, upon successful completion, certifies you to dive to 12m with a Buddy. The course takes place in sheltered bays and along pretty coral reefs in Tunku Abdul Rahman Marine Park (TARP), located just in front of Kota Kinabalu. Sabah is located in the Coral Triangle and is home to some of the greatest biodiversity of any waters in the world. This means you will come across a wide range of marine life whilst you learn to dive – from the smallest critters, a range of colourful coral reef fish species through to Green and Hawksbill Turtles. You will even find Nemo!

During the 4D3N Package you will stay in a private twin sharing room with aircon (includes breakfast, includes taxes). We provide a choice of three different accommodation options – all provide affordable, centrally located, clean and comfortable accommodation.

Promotional package prices are based up on minimum 2 persons booking together (valid up to 31st March 2012):-

- 4D3N Learn to Dive Package (Step In Lodge – Twin private room) = RM1025 per person.
- 4D3N Learn to Dive Package (Gaya Centre Hotel - Superior Double Room) = RM1155 per person.
- 4D3N Learn to Dive Package (Jesselton Hotel - Superior Double Room) = RM1245 per person (Off Peak)
- 4D3N Learn to Dive Package (Jesselton Hotel -Superior Double Room) = RM1285 per person (Peak period from June - August, December – February)

Itinerary

Day 1

Arrive in Kota Kinabalu in the morning. Check in check-in into your city Hotel / Lodge.

Come by our office from 1pm – 5pm to complete the required pre-study for your PADI Scuba Diver Course. During the study session you will watch the PADI DVD (Section 1,2 and 3) and complete the associated knowledge reviews, followed by the relevant quizzes. A PADI Professional will be around to assist you during your study session which will take approximately 4 hours.

Our office is located at F-G-1, Plaza Tanjung Aru (near Air Asia Terminal). You can find a map to our office at <http://www.borneodream.com/about/borneo-dream/boreno-dream-office-location-map.html>.

Day 2

Breakfast at your hotel.

Make your own way to Jesselton Point Jetty in central Kota Kinabalu (a short stroll, or a very short taxi ride).
9.00am – Meet us at the Jesselton Point Jetty to start your underwater adventure. The team will be at the entrance of the jetty to escort you to our boat.

9.10am – Depart Jesselton Point Jetty for the Tunku Abdul Rahman Marine Park, a 20-30 minutes boat transfer. Our dive crew will show you around our spacious catamaran during the boat briefing.

9.30am – Your Instructor will go through the course outline for the day and the fun begins! First of all you will complete the 10 minute float test (the only water stamina test for this course). Once completed, you will be provided with an overview of your dive gear, and the buddy checks you should perform before you enter the water. Once you are ready, the wet stuff begins with your confined skill sessions (1 – 3). Your Instructor will demonstrate skills for you to learn that will be applied during your dives. From mask clearing, learning buoyancy control, cramp removal, fin pivot, hovering, breathing using a SCUBA unit and many more. The confined skill sessions will be done in shallow water, starting in water deep enough for you to stand in.

12.00pm – Head back to the boat and break for lunch at a local café on a nearby island. Your lunch will be hot cooked food based on an a la-carte menu.

1.30pm – Return to the catamaran. Your PADI Instructor will provide a briefing for your first ocean dive. Get your dive gear ready and go diving along a shallow coral reef. The diving adventure continues!

3.00pm – End of Day 1 for your PADI Scuba Diver Course. Your instructor will show you how to rinse your scuba diving gear and how to properly take care of it. Rinse yourself with fresh water shower, get changed and have a coffee (or two) while we head back to the city.

3.30pm – 4:00pm – Estimated return time to Jesselton Point Jetty.

Overnight at your hotel.

Day 3

Breakfast at your hotel.

Make your own way to Jesselton Point Jetty in central Kota Kinabalu (a short stroll, or a very short taxi ride).

9.00am – Meet us at the Jesselton Point Jetty to start the second day of your PADI Scuba Diver Course. The team will be at the entrance of the jetty to escort you to our boat.

9.10am – Depart Jesselton Point Jetty for your first dive site in Tunku Abdul Rahman Marine Park, a 20-30

minutes boat transfer.

9.30am to 11:30am – Your PADI Instructor will brief for your second ocean dive 2. Set up your dive gear, perform your buddy checks and start your morning dive.

12.00pm – Head back to the boat and break for lunch at a local café on a nearby island.

1.30pm – Return to the catamaran. Your PADI Instructor will provide a briefing for your third, and final ocean diver. Get your dive gear ready, perform your buddy check and go diving along a shallow coral reef.

3.00pm – Up on successful completion of your last open water dive you are now a PADI Scuba Diver – great job! Still a bit more to do - rinse your scuba diving gear and log your ocean dives with your PADI Instructor. Rinse yourself with fresh water shower, get changed and have a coffee (or two) while we head back to the city.

3.30pm – 4:00pm – Estimated return time to Jesselton Point Jetty.

Overnight at your hotel. Time for a celebratory drink!

Day 4

Check out of your hotel. End of 4D3N package.
